Revision: 4

The ACT Government is calling for applications from small and medium clubs / club groups (those with Gross Gaming Machine Revenue under \$4 million) for a \$10,000 Community Club Grant.

The Grants are intended to assist small and medium clubs / club groups in the ACT to remain viable and diversify their income away from gaming revenue.

More information regarding whether your club may be eligible to apply for a Community Club Grant and other details, including an application form, can be found below.
