The [JACS Strategic Plan 2017-2019](#) defines the strategic direction of the Directorate for a period of 3 years.

The high level strategic plan is supported by a series of business unit strategic plans, which seeks to demonstrate the linkages across the portfolio in meeting our strategic objectives.

Underpinning our strategy is the need to provide leadership, support and development for the people of Justice and Community Safety as we strive to improve the services we provide to our Ministers, citizens and each other.

The Strategic Plan sets out how the Directorate will work collectively to achieve this.

The Directorate will commence a new strategic planning cycle in 2018 to develop the next JACS Strategic Plan for the Directorate.
