Revision: 13

Media releases are issued from a number of areas relating to the justice and community safety portfolio. These can be accessed directly from their [websites](#).

Visit the [ESA website](#) for all media related to emergency response and community preparedness programs.

For information on community policing in the ACT visit the [ACT Policing](#) media release area.

Media releases, speeches and events relating to ACT ministers can be found on the [Chief Minister's website](#). You can also subscribe to the Ministers' media release distribution list.
