

## 47FREEDOM OF INFORMATION REQUEST SCHEDULE

Please note that under the [Freedom of Information Act 2016](#), some of the information provided to you will be released to the public through the ACT Government's Open Access Scheme. The Open Access release status column of the table below indicates what documents are intended for release online through open access. Personal information or business affairs information will not be made available under this policy. If you think the content of your request would contain such information, please inform the contact officer immediately.

Scope	Reference
<p>.....for all documents in the possession of your office, the offices of previous Attornies-General, and each of the agencies subject to the request, since the request was lodged. I ask, in particular, that all documents passing between subject agencies and those "coordinating" a response, and documents from that "co-ordination" centre to the office of the Attorney-General.</p> <p>I should also make it clear that this request embraces any description by any of the parties about the nature of the digitised "composite" document, and any assertions as to the location of the "master copy" and the processes by which it was created and controlled. At the end of the day I want its contents. But with or without that, I am entitled to a description of the thing itself.</p>	<p><b>2021/119</b></p>
